### **Reviews**

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A lightning flash, a suicide leap, and a relocation for a new job. Three random events that would change the course of three men s lives forever. Is it fate, or divine intervention, or just plain old-fashioned luck? Do we control our own destinies, or are we just pawns in some larger game?
