Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. KD Arts Design bring you this wonderful adult grayscale coloring book. It is all about 1920 s Fashion. 1920s fashion was the perfect blend between style and function. Beautiful clothes that allowed women to move. No longer were women willing to trade their mobility for the old stodgy customs of the Victorian era. Old-fashioned torture devices like the corset and the crinoline no longer served a purpose for young women who wanted to dance, go to work, hop into cars, and walk around town. This is an amazing book to color! It is a great book for the beginners as well as the more advanced colorist!.
