Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Gerald Northrop: A Novel Ar some distance north of Milwaukee the Wisconsin shore of Lake Michigan rises suddenly to a high head land, beyond which it describes a great inward curve and returns, this time in along narrow point, lying like a crooked finger on the blue water. The vast semicircle thus formed is the harbour of Valencia, the second largest natural fresh-water hae in the worldt On the undulating ground beyond, from which energe evenly eight low hills (rome had seven him; Valencia has eight is a popular catch-word), theueity is spread like carelm sprinkled seed, compact on level ground and on the lower eminences, spattered ht sparsely over the higher ruder ones, so that one thinks of those enchanted mountains in the Arabian Nights the ascent of which few could make though many dared attempt. Only there it was always the heroes who succeeded; while here those houses that have achieved the summit are apparently pitiful mained waifs. Seen thus from the harbour Valencia is not without picturesqueness. Here and there one deseries (with pride if a citizen, with admiration if not) *the forms of public buildings,...

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
