

## 273.15 (Paperback)

---

By Peter Reading

BLOODAXE BOOKS LTD, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. After mapping Britain's national decline over thirty years through 25 books of poetry, Peter Reading has reinvented himself as a writer in his 21st-century work. The bitter social critic has become poetry's Millennial prophet of doom, directing his venom and sorrow at the destruction of the world's wildlife and environment. His latest book -273.15 [absolute zero] is a lament, a tirade, a disaster warning, and an anthropologist's catalogue of our final expedition addressed to an earlier survivor of global catastrophe, Noah of the Flood.
