St. Martin's Press, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Feverishly paced. Fury isn't afraid to portray a flawed hero. --Library Journal Still recovering from his near-fatal wounds suffered at an American nuclear plant, Delta Force commander Major Kolt Racer Raynor is thrust into a new battle with some of the toughest killers he's ever faced: U.S. Navy SEALs. The Joint Chiefs of Staff are contemplating an austerity measure that would either combine Delta Force and the SEALs into a single unit or eliminate one entirely. Kolt's career is in jeopardy--and the final say rests in the hands of men who want to see him gone. Step aside, Jack Ryan--Kolt Raynor is the true hero of the new millennium. --James Rollins, New York Times bestselling author Meanwhile, a new terrorist threat--more deadly than ISIS and al Qaeda--looms. Kolt earns his call sign as the action has him racing across the globe, from Syria to Ukraine and back again, on hunter-killer missions to eliminate the terrorists before they can enact their mission. But can Kolt get the support he needs back in Washington to thwart a devastating nuclear attack? Violently applied force is needed now--before there's no tomorrow. The action [is] rapid-fire, realistic. locked and loaded. --Kirkus Reviews This edition of the book is the deluxe, tall rack mass market paperback.
