Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

(Prof. Vanessa Smitham V)

BULOW HAMMOCK: MIND IN A FOREST

Sierra Club Books, 1989. Hard Cover. Condition: New. Dust Jacket Condition: Mint. NEW BOOK - "David Rains Wallace is arguably our finest living nature writer -- the John Burroughs of our time. In Bulow Hammock, he provides fascinating observations and insights not only on the ecology of this subtropical woodland, but also on subjects as diverse as human evolution, the nature of dreams, and perception and consciousness. Those who enjoyed Wallace's early classic *The Klamath Knot* will love *Bulow Hammock*" - John Murray, author of *Wildlife in Peril*.
