The emotional concept behind most, if not all relationships. But in an imperfect world, sometimes LOVE is not enough. Especially when Greed, Lust, and Betrayal are tossed into the mix. In the Big Apple four female friends embark on a journey that will not just test the strength of their LOVE for their respective partners, but also their LOVE for each other. And themselves. They will discover that LOVE is not just a word. That it is also a two way street, and a double edged sword, that can cut both ways. In the end Candace, Desiree, Vivian, and Tamara will not just learn how to LOVE. They will also discover the reasons WHY WE CAN T LOVE.
