She has recently finished high school and is looking forward to the adventure of going to university. Trapped in the dreary market town of Peterborough she desperately wants to escape from the banality of suburban life, but for the time being she s stuck at home with mum and dad. Frustrated by her lack of success in trying to find a boyfriend Rebecca reminisces about her school days and reveals some of her deepest feelings of passion and desire. Looking for Love provides a compelling insight into the anxious mind of a young woman who is trying to cope with the social challenges of the modern world. After years of coping with peer pressure, frustrated sexual desires and a series of disastrous dates, Rebecca is trying to find a boyfriend without losing her mind. Told through a series of amusing anecdotes, Looking for Love is a confessional memoir where everything is revealed.
