Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

ORDINARY DECENT CRIMINALS (PAPERBACK)

HARPER PERENNIAL, 2015. Paperback. Condition: New. Language: English . Brand New Book. A new edition of one of bestselling author Lionel Shriver's early novels, reissued 25 years after first publication--an engrossing commentary on the intersection of politics and human relationships, set in turbulent Northern Ireland. For ten years, Estrin Lancaster has fled Philadelphia. From the Philippines to Berlin, she's been a traveler without a destination, an expatriate without a motherland. In each of the cities Estrin favors, she manages an apartment, a job, a lover, and never carries past the first signs of ennui. Her latest destination is Belfast, in Northern Ireland. After twenty years of ritualized violence, this city, too, is exhausted--a town where when one more bomb explodes in the city center, old ladies blow the dust off their treacle cakes and count their change. Here the lanky and spiteful Farrell O Phelan, former purveyor of his own bomb-disposal service, technically Catholic but everyone's aggravation, wrangles through the maze of factions in the North by despising every side. Farrell's affair with the curious Estrin is nonetheless a meeting of two loners; like hers, Farrell's marathoning around the planet has become a running in place. In deadlocked Northern Ireland, it has become harder and harder to believe that anything is happening at all. A grand tragi-comedy--one of the earliest displays of the ambition and intelligence that has since earned Lionel Shriver worldwide acclaim--Ordinary Decent Criminals is about conflict groupies, people terrified of domesticity, who stir up anguish in their lives and their countries to avoid the greater horror of what lies closest to home.
