

Scripture Memorization Made Possible: Moving Beyond Rote to Memorize Large Portions of the Bible (Paperback)

Filesize: 7.79 MB

Reviews

This book might be worthy of a go through, and a lot better than other. it had been writtern really properly and helpful. You may like just how the author write this publication.

(Prof. Mattie Beatty)

SCRIPTURE MEMORIZATION MADE POSSIBLE: MOVING BEYOND ROTE TO MEMORIZE LARGE PORTIONS OF THE BIBLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered why you can remember someone's face, but not their name? Or why you can hum the tune of a song but only remember a few lines of the words? When you understand why it will transform your ability to memorize many things, most importantly Scripture. And not just a little bit of Scripture but large portions of Scripture. Thousands have used this method to memorize small sections of Scriptures and whole books of the Bible. Leverage your brain's natural ability to memorize and learn the important keys of Scripture memorization that will boost your ability to study, memorize and RETAIN large portions of the Bible. This method is * Powerful enough to memorize even genealogies (forward and backward) * Simple enough that a 10 year-old memorized the gospel of Mathew in 12 weeks (and recited it!) as well as a 73 year old (current record) * Impacting enough that Scripture is retained with minimal review Learn * How to work with your brain instead of against it (rote) * Why forgetting is an important part of remembering * How Scripture memorization has impacted key people in crisis times The only requirement is that you trust the process. Scripture memorization IS possible for everyone. This is not a new method but an old method used for thousands of years before rote was introduced. Memorizing Scripture is a great investment in your life and in the life of others. Learn how today.
