## PAVEL S VIOLIN: A SONG OF HOPE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From 1942 - 1945, Paul (Pavel, in Czech) was a prisoner in the Terezin and Auschwitz concentration camps. He survived the camps, and the final Death March from Auschwitz. Pavel had been a violinist before the war, and after his escape his brother found a not so new but nice violin for Pavel to play. Pavel lost many members of his family in the camps, but a few survived. A descendent of one of those survivors inherited the violin and, many years later, became my violin teacher. This is how I came to play Pavel s Violin. The violin itself is a beautiful Jakob Stainer model, built perhaps in the mid-1800s. In the novel, it is made by Stainer in 1670, and we trace its journey from Stainer s home in Absam, Austria, to the Prince-Bishop s Palace in Kromeriz, Moravia, to the Jewish community in the Moravian countryside, to the great synagogue at Olomouc, to Terezin, then Auschwitz, and finally to the Carpathian Mountain, where it finally becomes Pavel s Violin. Along the way, the Violin is a metaphor for the human condition: our joys, fears, sorrows, hatred, loves, and our hope for a good future. Pavel s Violin is a work of historical fiction, a genre peculiar enough to be seriously misunderstood. Historical fiction is not literal history that has been fictionalized to the point that its details are not reliable news accounts of what happened. It is fiction inspired by historical events in order to convey truths which are deeper than literal. Historical fiction, at its best, serves as a metaphor that can draw a reader into a story as a first hand participant, rather than as a consumer...
