Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Learning to PURRRRRRR is addressed to a general audience of people looking for understanding to improve their lives and outlooks. Specifically within the general audience, the most interested people will be those confused about the fast paced change in our modern times, suffering losses, economic and/or emotional. While encouraging the reader to engage in reflection as an ongoing exercise to improve mental abilities and quality of life, my unique book helps people baffled by globalization, overpopulation, terrorism, the financial crisis and other modern day difficulties, to sort out the influences in the atmosphere on their own using my reflective examples. Without help in clearing the clouds of fog, lacking the certainty of a better future being a result of daily actions, unfortunately many are taking a very short view, which is damaging both to society and the individual. The book is themed on the use of observations from cat behavior, life experiences and a synthesis of philosophical and other reading materials, in drawing helpful life lessons. Other media, such as TV, are also used as examples. In addition to clarity for the reader, other benefits from reflective contemplative thought, or purring as referred to in the book, are healthy relaxation and better ability to problem solve. Using reflection as demonstrated in this book, the reader will be able to establish a solid life code, which helps keep a healthy, loving outlook and boosts self-esteem through increased independence. Alternatively, given the thorough demonstration of the authors code of supporting the idealistic values in civilization of equality, tolerance, individual responsibility, love and a safety net of support for those who slip through the cracks, while not paying any lip service to the absolute...
