Lulu.com, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you love the sight of birds and butterflies or want to help restore wildlife habitat, The Wildlife Habitat Journal is for you! Instruction manual, workbook, and journal, this delightful little book suggests steps to attract garden wildlife and pages to record your progress. Plant lists are provided for birds, butterflies and hummingbirds with suggestions for further research. If you have already discovered the joys of sharing your property with wildlife, this journal will help you become more proficient. By recording the events that occur in your yard, you will learn which plants are most favored. You will know when to expect butterflies if you record the dates that you first see a chrysalis. You will know when to re-hang feeders if you record when the hummingbirds first appear. We are all still in the learning stage when it comes to sharing our landscapes with wildlife. As we learn what works, this journal provides the opportunity to record what we learn and to share it with others.
