This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject English Language and Literature Studies - Linguistics, printed single-sided, grade: 1,3 (A), University of Dusseldorf 'Heinrich Heine' (Anglistics Institute), course: Tense-Aspect-Mood, 6 entries in the bibliography, language: English, abstract: In order to present a comprehensive and all-embracing picture of a linguistic phenomenon like the progressive it is important to provide an analysis of the problem from both a synchronic and a diachronic point of view. Following this rule the subsequent paper is divided into two main parts. In the beginning I will try to give a global picture of the progressive form in English as it is used today and I will focus on its meaning and basic functions as well as on its separation from other linguistic states. The second section of this paper is devoted to the historical sources of the English progressive diachronically emerging from Old English over Middle English and Early Modern English into the progressive taught in modern grammars and school books. I do have to mention though that, since I am not a...
