

## Knowledge of self Understanding the mind of the Black male

By Steven Kniffley PsyD

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 160 pages. Dimensions: 8.9in. x 6.0in. x 0.5in. Factors such as homicide, imprisonment, under employment, and limited access to educational opportunities have contributed to the labeling of Black men as an endangered species. Utilizing the sociohistorical context of intergenerational trauma as a foundation, Knowledge of Self: Understanding the mind of the Black male, examines four factors related to Black male identity development including: Black masculinity, anger aggression, emotional restriction, and race/ethnic identity. This text is designed to serve as an empowering resource for Black men, and the helping professionals that work with them, through awareness, self-reflection, and skill building. This item ships from La Vergne, TN. Paperback.

### Reviews

*A very wonderful book with lucid and perfect answers. It is probably the most incredible book I have studied. It has been designed in an exceptionally simple way and is particularly just after I finished reading through this publication by which in fact transformed me, altered the way in my opinion.*

*-- Macey Schneider*

*Completely among the best pdfs we have at any time studied. We have studied and I am sure that I am going to likely read yet again once again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
