

## Africa's Past, Our Future

Filesize: 3.1 MB

### ***Reviews***

*Very good eBook and valuable one. Better than never, though I am quite late in starting to read this one. I am very easily satisfied with the satisfaction of reading through a created publication.*

## AFRICA'S PAST, OUR FUTURE

DOWNLOAD

Indiana University Press. Paperback / softback. Book Condition: new. BRAND NEW, Africa's Past, Our Future, Kathleen R Smythe, Africa's Past, Our Future engages the history of the African continent through the perspective of global issues such as political instability, economic development, and climate change. Since the past may offer alternative models for thinking about our collective future, this book promotes an appreciation for African social, economic, and political systems that have endured over the long-term and that offer different ways of thinking about a sustainable future. Introducing readers to the wide variety of sources from which African history is constructed, the book's ten chapters cover human evolution, the domestication of plants and animals, climate change, social organization, the slave trade and colonization, development, and contemporary economics and politics."
