Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the INTRODUCTORY CHAPTER. THE war of 1861- 65 will always command the interest of both North and South. No one can understand how and why it came, or fairly judge the parties to it, without an accurate knowledge of those facts in our history that -make up the case- that was then submitted to trial by battle. Those facts have not yet been stated in -ordinary and concise language, - in their proper relation to the issue, and to each other. The -plain people- have not time or money to expend upon the many small books, each telling a part of those facts, or upon any of the large ones that deal with the whole matter. Therefore I now try to so state them that everyone can spare the money to buy and the time to read my small book, and yet find in it so complete an outline of the material facts that all may either form a judgment satisfactory to themselves, or be aided by my narrative in the selection of such matters as seem to them to require further investigation. My readers will find in the following chapters the following facts: In the fall of 1798 Jefferson wrote in the Kentucky resolutions the Confederate or secession theory of the Constitution, but concealed his authorship. Washington, who held the national, or Union theory, condemned the doctrine of those resolutions. The last year of his life was troubled by fears for his country. His last work for that country was to induce Patrick Henry, most eloquent of Virginia s sons, to publicly oppose that doctrine. He wrote Henry that if that doctrine should be persisted in, either a...
