CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 112 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Eric and Kelsey were a few years out of college with a brand new house they could barely afford and nearly 40,000 in debt. After overspending 1,500 one month, the Williamses decided to clean up their act before starting a family and spent the next 23 months digging their way out of debt on a very average household income. This book will tell you how they did it and give you practical steps on how you can do it, too. You might be frustrated with all of the money advice you get. It can be very pointed and opinionated. But there is usually more than one way of doing things. While understanding financial principles is great, you'll ultimately have to discover what works for you and your money. Its Your Money is a book with two parts. The first part tells the Williamses story, filled with money lessons they learned throughout their early adult life - how they ended up in debt due to financial mistakes and lessons they were never taught growing up. Part II is filled with practical action steps to help you get a handle on your own finances and start developing a plan to help you achieve your goals. You'll be motivated and inspired to win with your money. This item ships from La Vergne, TN. Paperback.
