THE MAGICALLY BRILLIANT BOY (PAPERBACK)

Brilliant Books Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ever wonder what is going through the mind of an autistic child? What do they see? What do they hear? How do they relate to the world? Well luckily Kristy Gray, a high-energy, devoted and loving mother of two boys, has gone a long way toward illuminating those very questions. In her new children s book The Magically Brilliant Boy, Kristy gives you a glimpse into the world of her autistic son, Zachary, and indeed into the worlds of other autistic children. But this is not only a children s book. Through raising her son, building a core relationship with him and having a true understanding of his entire being, Kristy has drawn on that knowledge and has written an informative book for adults as well. At last, we have a tiny peek into the autistic child s mind and come away with a better grasp of how and what they see and how they relate to the world and to us. As a lover of life, family, and core values, Kristy works hard to maintain a humble existence while pushing herself forward to fulfilling all her dreams. As a mom that has raised a child with Autism, Kristy has opened up her world to you with The Magically Brilliant Boy and invited you into her daily life with her son. She does not claim to be an expert, simply a mom with a lifetime of experience. Her family s journey with Autism began when her youngest son was diagnosed at the age of 21/2. Kristy says, His diagnosis reshaped our family, yet has blessed us beyond words. As a parent, an Autistic diagnosis for your child is nothing you can ever...
