Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Decorative Symbolism of the Arapaho, Vol. 3* The Arapaho, a tribe of Plains Indians belonging to the Algonquian stock, practise a form of art very similar in material, technique, and appearance to that of the other Plains tribes, of whom the Sioux are the best known. This art is in appearance almost altogether unrealistic, unpictorial, purely decorative. For the greater part it consists now of beadwork, which has nearly supplanted the older style of embroidery in porcupine quills, plant fibers, and perhaps beads of aboriginal manufacture. The other products of this art are objects of skin or hide which are painted with geometrical designs. On the whole the decorative, geometrical character of Arapaho art is very marked. Almost all the lines are straight. The figures in embroidery are lines, bands, rectangles, rhombi, isosceles and rectangular triangles, figures composed of combinations of these, and circles. The designs painted on hide are composed of triangles and rectangles in different forms and combinations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
