Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: Arabic . Brand New Book ***** Print on Demand *****. The poems in this book emanate from a soul s trials and tribulations in search of deeper emotional and spiritual connections. From the tight grip of matter over mind and soul, to the inquiry into the laws of love, life and nature, the poems gradually endeavor into the highest spiritual states that make one soberly reflect on the fate of the human condition through progressively deeper dives into the interactions of the soul with the body. As such, the emotions expressed in these poems lead slowly but surely to a state of greater hope, serenity and healing to a wounded soul or an unquiet mind.
