

A Text-Book of Surgical Principles and Surgical Diseases of the Face, Mouth, and Jaws, for Dental Students (Classic Reprint) (Hardback)

By Henry Horace Grant

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Text-Book of Surgical Principles and Surgical Diseases of the Face, Mouth, and Jaws, for Dental Students It is the object of this work to present to the student of dentistry a text-book that will succinctly explain the principles of dental surgery applicable to all operative procedures, and also to discuss such surgical lesions as are likely to require diagnosis and perhaps treatment by the dentist. It is believed that only such details as belong to a technical understanding of the subject are in place in a book of this scope. An exhaustive analysis of the phenomena of inflammation and repair, as well as of the pathology of the essential processes of acute surgical diseases, is not desired by the student of dentistry during his college days, and the majority make no effort to acquire more than a clear understanding of these subjects. Again, very few doctors of dentistry expect to practice even minor surgery, and those who do would seek to perfect their knowledge in another theater, and take as a book of reference some of the more pretentious works...
