## THE GIANT IS FALLING: A FEATURE LENGTH DOCUMENTARY

Uhuru Productions, South Africa, 2018. Digital. Condition: New. Language: English . Brand New Book. The Giant is Falling takes a sweeping look at the big political events of recent years that signify the end of an era in South Africa. With declining popularity at the polls and the real possibility of losing the comfortable majority the ANC has enjoyed for two decades, the big debate in South Africa is whether or not the party can recover its reputation as the most respected liberation movement in the world? Locating the moment when things fell apart as the Marikana Massacre, the film charts the various ways people have collectively responded to the ANC s failure to deliver on its promises. Bookmarked by the 2016 Local Elections, The Giant is Falling asks why South Africa, a middle-income country, rich in mineral wealth has failed to address inequality in twenty-two years of democracy and why the gap between rich and poor is growing.
