

## Under the Protection of the Cow Demon: Dispatches from the Unexpected World (Paperback)

Filesize: 3.56 MB

### **Reviews**

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*

Walkabout Publishing, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The world, E. Readicker-Henderson reminds us, is a much, much more beautiful place than we usually realize. Here the award-winning travel writer embroiders this theme over 25 essays: from a bra fence in New Zealand to mammoth hunting in the Yukon and the Zen of orange-pith-removal in Japan. Drawn to high latitudes and odd corners, Readicker-Henderson delves deeper into his search for the quietest place in the world: a quest that began with his feature for National Geographic Traveler, recognized by Best of American Travel Writing in 2007. At turns poetic, philosophical and howlingly funny, these tales span two decades. Ultimately, like Rufus - the puppy the author rescues on pilgrimage - they remind us all to wag your tail happily at life, and life will happily wag back.
