Is she consumed with her needs to the exclusion of all others? Do you feel you can do nothing right in her eyes no matter what lengths you go to please her? Is it ALL ABOUT HER all the time? If so, you may be in a relationship with a female narcissist. It s All About Her will help you understand the personality of a narcissist and why a relationship with someone like this will eventually drain, exhaust and confound you. Underneath the flashy and intoxicating exterior of a narcissist is a fragile ego, which requires constant attention and validation. The implications this has on a relationship are far more damaging than one could ever imagine. Eventually, a narcissist will belittle, criticize, devalue and discard you. Narcissists are incapable of reciprocating love, which makes healthy relationships with them impossible. They are exhilarating and fun one moment...
