Bolesky was a silly goofball, classic prankster, and overall happy kid. From the moment of his birth until the tragic accident that took his life at age sixteen, he lived life with passion and gusto. No one knew T.J. better than his best friend and father. As he shares the true heartwarming story of his son s journey through life, his father provides a glimpse into T.J. s lively spirit as he chronicles his antics that included teaching himself to growl like the little lion cub in the movie, The Lion King, at just six months, allegedly riding a notorious outlaw rooster like a horse, puffing cigars with his Uncle Andy, and barraging his family with mischievous pranks as a teenager. While commemorating T.J. s short yet joyous life with entertaining anecdotes and insight into his son s earth-shattering premonition, his father illustrates that his son, who shined a bright light until the day he died, was truly one of God s angels and a king s lion bound for home. In this true story, a father celebrates the life of his son through joyous and poignant remembrances that serve as a gentle reminder to never take life for granted and always have faith in God s plan.
