DIFFERENTIATE OR DECLINE: COMPETITIVE ADVANTAGE AND STRATEGY FOR PRIVATE HIGHER EDUCATION (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Research shows that organizations competing in mature markets need to set themselves apart from the competition. In Differentiate or Decline, Andrews, Roller, and Migliore show today s colleges and universities how to seize control of their competitive strategy and kick-start enrollment growth by using the same techniques that major corporations use to dominate the competition. The authors make the case that due to disruptions in the market for higher education that the strategic landscape of the industry is irrevocably changed. Thus, a differentiated value proposition is necessary to assist universities in positioning themselves to compete in a global economy. From the Introduction Advance praise for Differentiate or Decline Bullseye! Andrews, Roller, Migliore offer clear, sound, and timeless insights to guide administrators through the process of understanding their unique role in the marketplace, creating a compelling organizational strategy, and effectively accomplishing the institution s most important goals. It s the education that higher education so desperately needs. --Ben LeVan, Ph.D., President of Propel, LLC. This book is required reading for any university leader. The book s contents provide a detailed manual for the development of a solid business plan that is critical to any university s success. Whether you have been leading for years or are in your first leadership assignment, this book has something for you. All leaders work daily to improve their skills. This book will improve both your university and your individual leadership skills. Get the book, read it, implement the contents, and watch great things happen. --Robert M. Myers, DBA, President, Toccoa Falls College Anyone involved in higher education knows that the paradigm has shifted. Gone are the days of growing enrollment, annual tuition hikes and no concern for...
