iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What does God s compassion for creation mean for you? Jeff Wilburn explains a revolutionary new view of money that can be proved in our everyday experience. Unseen divine laws have now been summarized, bringing supply in new and exciting forms. It turns out that God s love for humanity can be counted on at all times. Baffling problems of small or large consequence are not problems for the all-knowing Father/Mother of us all. Reasoning that we cannot be separate from God s love since He is everywhere, that its impossible that God could withhold good from creation, is true scientific force we can use now. Mankind has been intellectually blind to God s scientific supply. The tyranny of the physical senses has for too long left people without hope. The walls of frustration, lack and limitation crumble as spiritual understanding replaces wrong concepts. Then, a new vision sees the diamond mine of spiritual substance that underlies reality. Good naturally comes to us when we learn how to use God s Christian Law of Supply. Travel with the author to see how form emanates from Spirit, how you are loved even more than you dreamed, and how money is a sign of God s love!.
