iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Warren Buffet said it: We need innovation to get America moving again. This book is the essence of those prophetic words. It s becoming the buzz word for home seekers. That includes the tech savvy X and Y generations as well as those of us who grew up in a more conventional world. It s an evolutionary concept for home buyers that will turn the traditional real estate marketing industry on its ears. And that will be welcomed by buyers who have been saying for years: I m the buyer. It s my money! What s in it for me? Got Clout? answers that question.
