Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from English Sounds for Foreign Tongues, Vol. 23: A Drill Book, December, 1918 The problem of the student of foreign languages is the acquisition of new habits of speech. Not only is he accustomed to express his thought in certain long-used words and phrases, but these words and phrases are uttered by means of movements of the speech organs which during long years of repetition have become involuntary. These articulatory habits are called the basis of articulation or the phonetic basis of a language. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
