NO MORE MR. CELLOPHANE!: THE STORY OF A WOUNDED HEALER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an autobiographical description of a man s spiritual journey from brokenness to healing. He describes how as a child he learned mistrust, the feelings of abandonment and deep pain and suffering, rape, separation from his family to living in a world where he felt nearly invisible to others. But once he met his life partner, he began to find his spiritual self and with his partner s support began to put the pieces of his life together. These two men struggled over 37 years to build a strong, faith-based relationship and with therapy the author finally addressed the issues of his childhood and became, and is becoming still, the man his Creator made him to be: a wounded healer, working and dedicating his life to helping others in alleviating their own pain and suffering.
