The wonderful thing about the sport is that you can begin at any age - from eight to eighty-eight. If you are inexperienced you can catch fish with the lightest and simplest of tackle. As you progress you can add roach poles, bait trays, baitpults, electronic bite detectors and as much sophistication as you can carry to the water s edge. And then with the wisdom and consideration of experience you can return to that favourite swim with the very minimum of equipment and still enjoy the exhilaration of the rod-bender . The basics of everything you need to know are in this simple to understand and incredibly comprehensive little book. Professionally written and amazingly clear, this book was first researched, written and published many years ago and was a huge success. Since then it has been brought up to date on a regular basis and is packed with information and useful illustrations for you to take to any water s edge, or into any fishing tackle shop for the retailer to immediately understand what you need and provide even more advice.
