Fast Facts for the Long-Term Care Nurse: A Guide for Nurses in Nursing Homes and Assisted Living Settings (Paperback)

By Charlotte Eliopoulos

Springer Publishing Co Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Today more than 10 million people require some form of long-term care, a number that is rapidly increasing and will continue to do so for years to come. This concise and user-friendly resource contains the fundamental information long-term care nurses need to provide all aspects of safe and effective care to their patients in nursing homes and assisted living facilities. Written by a renowned and highly respected nurse leader in long-term care and gerontology, it presents key facts and core competencies related to the clinical and managerial responsibilities of nurses in these settings. Information on the specific skills required for this challenging specialty, as well as must-know information on regulatory standards, site visits, management and leadership, and dementia care, is presented in a consistent format for quick access to information. The guide embodies a holistic approach to nursing that recognizes the importance of quality of life in addition to quality of care. It provides an overview of the unique features of long-term care, addressing the operational differences in these settings from those of acute settings, the distinct responsibilities of long-term care nurses, special needs of...
