GYLO Success I have been working since 2009 with Tony. The results have been nothing short of amazing. My eating habits were out of control. My weight had increased along with my blood pressure and blood sugar readings. Things changed the day Tony put a plan into action. His sensible nutrition plan was put into place. I could feel a change in my posture, my belly and most important, my attitude. We can all blame genetics or lack of time, although with Tony s knowledge and common sense toward nutrition, I look and feel better than I ever did. Thanks to Get Your Lean On, the only gain I have is a wider SMILE! -Michael E. Bailey To see more please visit:
