

Labor Saving in Live-Stock Production: Prepared in the Animal Husbandry Division (Classic Reprint) (Hardback)

Filesize: 9.08 MB

Reviews

An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following what I finished reading this publication in which really modified me, modified the way I think.

LABOR SAVING IN LIVE-STOCK PRODUCTION: PREPARED IN THE ANIMAL HUSBANDRY DIVISION (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Labor Saving in Live-Stock Production: Prepared in the Animal Husbandry Division If this feature of the labor problem is generally recognized by giving the women and children more than a laborer s interest in the animals, a most important influence will be brought to bear on the stability of the country population. A woman Or child on the farm who has a proprietary interest in some of the animals on the farm will be much less likely to become dissatisfied with farm life. It is possible that the germ of a most important development will be found in this feature of labor saving. Women from time immemorial have been interested in live stock production, but animal husbandry, as we know it, as a. Profession has been one of the last for women to take up. Now, however, young women from the best families are beginning to take the animal-husbandry courses in the agricultural colleges. They have won distinction in the stock-judging contest at the: International Live Stock Exposition, and one of these young women has already been appointed as scientific assistant in Animal Husbandry in the United States Bureau of Animal Industry. The third general consideration to be mentioned is the possibility of retired farmers who are skilled live-stock producers resuming in part their farming operations. Every country town has a large number of men who have made a success in farming, and many of these men have been among our best live stock breeders and feeders. Often they are in perfect health, with time to spare, and they have frequently left the farm in order to turn over its management to a son or other relative. The war is already...
