Metrical Pieces: Translated and Original (Paperback)

By N L Frothingham

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many and warm thanks will greet this volume; a gift of one who, retired from the regular labors of the ministerial profession, which has been for so many years his life and glory, yet finds time and disposition, with his industrious pen, to remind his former hearers and present friends of the preacher's welcome and familiar voice. He appears indeed in no new character, but in one he has worn from his youth up, when serving the cause of good literature. Of all that have borne among us the sacred office, we know of no one to whom more fitly belongs the honorable appellation of Christian scholar. Admirably has he combined the faithful discharge of all the duties of his holy calling with continual devotion to the entire breadth of liberal studies, ever uniting the stamp of learning with the seal of religious faith. This work, bringing together the genial tasks he has set himself at widely different periods and on diverse occasions, is like a collection of flowers arranged so that each lighter and more sober tint may...

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Camille Larson

Unquestionably, this is the very best ever written by any author. It has been written extremely flawlessly and beneficial. You can expect to like the way the blogger publishes this publication.
