Trafford Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Love. Sickness. Death. Happiness. Accidents. Marriage. Beatings. Laughter. Changes! Susannah Brown exhibited a loving patience and her family sought her out for advice and encouragement which she always provided. Unfortunately the arthritis she had began to take its toll. Jon, Ruth s husband, came home from the war with shell shock and experienced many episodes with it to his dismay. Jeff often had nightmares of the war which in some ways were worse than what actually happened. Jeff meets Melody Martin at church, began to date her, eventually married her, despite her handicap, and they had children. Zeb Stuart, Jeff s partner in building furniture, had a horrible experience with bootleg whiskey, despite Prohibition, which led him into serious trouble and a beating. Reggie Barnhouse from Britain came home with Jeff after the war and began to work on the farm. He was a good worker and enjoyed cutting up with Clyde Armour. The time they all lived through was -The Roaring Twenties-, called that because it was a wild ride. Many changes occurred, such as Prohibition, Henry Ford s cars, radio, airplanes, a new kind of music and dancing, women s right to vote, national sports, the KKK, immigration, political corruption, oilfields, Scopes Monkey Trial and the stock market crash of 1929.
