JOHN 10:10 This verse prompted a revolution in my spiritual life. After being a Christian for several years, I was confronted with the truth about my spiritual life. While meditating on that verse, I realized my life was not spiritually abundant at all. What followed was a deliberate pursuit of the abundant life that Jesus promised His followers. I realized that there were habits, attitudes and people in my life that were preventing me from fulfilling my full potential. These issues needed to be addressed if I were to achieve fulfillment in life. Twelve Inches is the actual distance between one's brain and one's heart. The book is designed as a practical blueprint to an abundant life, written by someone who many will relate to. It is a Biblical, tested and proven blueprint to an abundant life in Christ....
