## AUTHENTICATION STRATEGIES FOR INTERNET BANKING

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Neural Network Strategies for Fraud Detection and Prevention | Information and Communications Technologies (ICT) have undeniably changed the way society interacts during everyday activity, where the Internet now plays an essential role in any nation's critical infrastructure, financial payments systems. Coupled with the rampant invasion of insidious techniques employed by cyber-criminals to perpetrate fraud, and the simplicity of electronic transactions, the foundations of society's networked economy are being threatened with...
