Dover Publications Inc., United States, 2009. Paperback. Book Condition: New. 204 x 126 mm. Language: English . Brand New Book. Using intriguing characters and sparkling dialogue, George Bernard Shaw explored ideas and issues that transformed the conventions of British theater. Don Juan in Hell showcases the master's art at its best. An episode from Act Three of Man and Superman, Don Juan in Hell is often presented independently of the rest of the play. Rooted in the Don Juan legend particularly as it appears in Mozart's opera Don Giovanni this dream sequence forms a play within a play. It consists of a dramatic reading in which three characters from Man and Superman appear in archetypal guises: Don Juan, the libertine turned moralist; Dona Ana, the eternal female; and the Commander, a hypocrite transformed into a statue. The Devil himself joins their spirited debate on the nature of heaven and hell, of good and evil, and of human purpose, for a captivating blend of Shavian wit and Nietzschean philosophy.
