**LABORATORY MANUAL OF FRUIT AND VEGETABLE PRODUCTS (CLASSIC REPRINT) (HARDBACK)****DOWNLOAD**

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Laboratory Manual of Fruit and Vegetable Products Although food preservation has been definitely correlated with the development of modern civilization, it has been one of the last of the arts to attract the attention of scientific men. It is only within the past thirty years that the principles and practices of food preservation have received the intelligent investigation which they merit. Although there are yet many problems demanding solution, much has been accomplished toward an exact understanding of the scientific principles underlying the manufacture of food products. The preparation and preservation of fruit and vegetable products have become of great economic importance, but this subject has not received the attention it deserves in the curricula of educational institutions. In many horticultural industries, manufacturing and marketing have become of as great importance as production. There is a rapidly growing demand for persons trained in the scientific principles underlying these industries. Practical knowledge alone no longer suffices. This manual meets the need for a reliable guide in laboratory courses in colleges of agriculture, schools of domestic science, etc., in the manufacture, preservation and examination of fruit and vegetable products. It is the outgrowth of a course given at the University of California during the past eleven years. The Assignments are designed to Simulate as closely as is possible on a small scale present commercial practices as well as to illustrate the fundamental scientific principles involved. Although this manual Should be supplemented by lectures or books giving correlated information, much valuable data are included, especially in tabular form. Although intended primarily for use in Agricultural Colleges and Domestic Science schools, much of the information given is of value to growers, manufacturers of fruit and...
