SOMEONE HAS DIED: A CHILDREN S GUIDE TO SURVIVING A LOVED ONE S DEATH (PAPERBACK)**DOWNLOAD**

Queen City Publishing House, United States, 2014. Paperback. Condition: New. Matthew McGown (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Someone Has Died is a wonderful story featuring Butter, our grief therapy dog, and her best friend Lady. Death can be a difficult thing to endure as an adult, but children are equally affected at the loss of a loved one. As you read this book with your little ones, be mindful of their comments and observations. Encourage them to discuss the concepts within the pages. I have included photographs of Butter and Lady so that your children can see that they are real animals. This story is true and Butter and Lady live at the funeral home with my family. For the first few days before the funeral of your loved one, please read and reread this book out loud with your children. Part I of Someone Has Died helps you discuss the concepts of loss and memorialization with your children. This discussion will better prepare them for what they will experience before, during and after, the memorialization services. It will also help you to broach a subject that can be difficult to address, especially when you are grieving. Part II of Someone Has Died helps children understand appropriate behavior at a funeral. As you know, adults are sometimes less patient when they are grieving, so too are children. The behavior concepts in this book will protect your children by helping them understand what appropriate behavior is during this difficult time. There may be moments, at various services, where your children may be separated from you. With this behavioral guide, they will understand how to keep themselves safe until you are again by their side. These concepts will help keep grieving children from acting out and...
