Brand New Book ***** Print on Demand *****.How many kids do you know, who have the opportunity to work for a real business generating ideas, designing kid projects, attending trade shows, and meeting executives, at the age of only eleven? I had this incredible opportunity when I was contracted by a popular children s collectible pen company to help develop an interactive kids fun klub. Read my story, you will be inspired and amazed, as this is not something that happens every day to an ordinary fifth grader.especially a 5th grader without a resume, or even a job interview! At eleven years old, I was not looking for a job, but at the same time, I could not believe a real job was being offered to me. Nick DeProspro His age meant nothing to me; I was too impressed with his communication skills, intelligence, thoughtfulness, fearlessness, and personality. Brent Reese, Kooky Boss.
