Whimsical Publications, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Eydis Thorndike carries two secrets with her: the first, she can see glimpses into the future and read people's thoughts, and the second secret is so horrible it could destroy what's left of the human race—a sub-fleet has been created to kill the people left behind in the Old World. In the year 2086, seventeen-year-old High Princess Eydis Elisabet Thorndike finds herself graduating from the Rangers Academy, despite the controversy. Royalty usually joins one of the other fleets. It's unheard of to have a high princess become a ranger. Eydis feels a responsibility to the people left behind, because she knows Survivors are in more danger now than ever before, and because her mother, the High Queen, is one of the people behind the secret sub-fleet. Eydis will place the love of her mother in jeopardy, as she does all she can to protect the Survivors. About the Author: Gabriel Madison Gabriel Madison started writing when he was in high school, mostly short stories and poetry, and then developed a passion for screenplays. He attended a private art University in Atlanta Georgia for Media Production where he wrote a few screenplays and made a few short movies, including a twelve-minute vampire movie he adapted from a short story called Midnight Diner. Later, he returned to writing novellas and novel length projects. Gabriel was once asked to describe myself; the answer he came up with was: storyteller.
