CAMPUS LANDSCAPE PLANNING DESIGN (HARDBACK)

Design Media Publishing Limited, Hong Kong, 2014. Hardback. Condition: New. Language: English . Brand New Book. The present book takes a look at a subject area of public life which will become more and more important in the future: education. The prospective development of our societies will in future primarily be determined by the quality of culture and education. This book is composed by two parts: technical theories and some wonderful projects. The first part goes into finer details about the characteristics, design approaches and considerations Campus Landscape Planning Design, including all the aspects. The projects shown in this book is only coherent: across continents the presented projects come from Asia, America and Europe. The following projects mirror a cross-section of all facets of different educational institutions: universities, secondary schools, primary and vocational schools, as well as schools for handicapped people. All sites have one thing in common: these institutions opened up for new ideas and concepts.
