

## Student Resources on DVD for Basic Mathematics

By Robert Prior

Pearson Education (US), United States, 2009. DVD-ROM. Condition: New. Language: English . Brand New Book. This all-in-one DVD-ROM set contains everything that students need to study efficiently. All of the following items are contained on a few discs, saving natural resources and providing a budget-friendly option for students. Chapter Test Prep Videos provide step-by-step solutions to every problem in the Chapter Tests. These videos provide guidance and support when students need the most help: the night before an exam. Video Lectures provide a lecture for each section of the textbook from the author. These lectures cover important definitions, procedures, and concepts from the section by working through examples and exercises from the textbook. Videos have optional subtitles. Student s Solutions Manual contains detailed, worked-out solutions to all You Try It Exercises, odd exercises, and chapter review and chapter test content in the text.

### Reviews

*It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Talia Cormier

*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that in fact changed me, change the way I think.*

-- Lucinda Stiedemann
