Digireads.com, United States, 2005. Paperback. Book Condition: New. 222 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Marcus Annius Verus was born in Rome, A. D. 121, and assumed the name of Marcus Aurelius Antoninus, by which he is known to history, on his adoption by the Emperor T. Aurelius Antoninus. M. Aurelius was educated by the orator Fronto, but turned aside from rhetoric to the study of the Stoic philosophy, of which he was the last distinguished representative. The Meditations, which he wrote in Greek, are among the most noteworthy expressions of this system, and exhibit it favorably on its practical side. The Meditations picture with faithfulness the mind and character of this noblest of the Emperors. Simple in style and sincere in tone, they record for all time the height reached by pagan aspiration in its effort to solve the problem of conduct; and the essential agreement of his practice with his teaching proved that Even in a palace life may be led well.
