Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE Who will read this book? A scholar here and there, I dare to hope, who would not willingly pass by anything that concerns Catullus, a barrister, a business-man (who knows?), if, as I believe, there are still some who find, after a long day s work, their best refreshment in the classics. Perhaps even an Eton boy who has read Catullus at school, and is a little ashamed at having cared so much for any part of his work, or the sister of an Eton boy, if I may speak out all my dreams, who has read in Tennyson of the tenderest of Roman poets, and would learn something which her brother refuses to tell of that Catullus whose dead songster never dies. May it be so! And if not, it is something only to have dreamed it, and still more to know that the leisure moments of the last five years which have been given to Catullus have been their own exceeding rich reward. But what will my publishers say?.
