Trapped in an elevator with a handsome stranger was the perfect meet-cute, but Dr. Snow Daze wasn't interested in being the heroine of any romance novel. A serious researcher at Providence Hospital in Snowberry, Minnesota, Snow doesn't have time for a personal life, which was exactly the way she liked it. Dully Alexander hated elevators, until he was stuck in one with a beautiful snow angel. Intrigued by her gorgeous white hair, and her figure hugging wheelchair, he knows he'll do anything to be her hero. When a good old-fashioned Minnesota blizzard traps them at her apartment, he takes advantage of the crackling fire, whispered secrets on the couch, and stolen kisses in the night. Dully will stop at nothing to convince Snow she deserves her own happily ever after.
