Anthony Von Mickle is President of The Investment Forum, a real estate and equity investments group based in the Washington D.C. metropolitan area. Based upon his interests, through formal education and practical research, he has learned that actively pursuing what you want, regardless of your personal background, is a key ingredient to the attainment of accumulated wealth in residential real estate investments. Wealth can be acquired in this field by anyone willing to do the work and formulate this goal. Real Estate for Real People: A Guide to Achieving Profitability in Residential Real Estate Investing is a guide to help long-term investors seeking profit in residential real estate investments. Von Mickle stresses the initial accumulation of preliminary information which helps prevent problems down the line. For example, examine zoning and planning details of the economic development office in the counties in which you wish to invest in property, obtain tax assessment information and detail an exit strategy. Von Mickle provides valuable tools that can help secure profitable residential real estate investments. Learn from an expert who has extensively studied extremely wealthy people and successfully utilized their common traits of passion, timing, fear, and leverage. He shares how anyone can use these traits to their financial advantage.
